

September 22, 2006

Dear Friend,

If you've ever bought groceries at A.W. Whitmore and Sons, now Whitmore Groceries, you've probably met David Swartzendruber (pictured on right), one of the baggers employed at the grocery store. He greets everyone with a "HI" and always carries his customer's groceries with a smile. If you're an avid Redskins fan, like David is, he loves to talk with you about his favorite team.

David's outgoing personality and eagerness to do his job well has made him a favorite of many in the Broadway community.

David is served by Pleasant View. He lives in his own apartment in Broadway with his wife Linda, whom he married in 2003. He loves this community, his job and his fellow employees. David also likes to sing in the Pleasant View choir. Local churches call throughout the year to request the choir's performance at their congregations.

David is only one success story. He first came to Pleasant View in 1980, when he moved to Lee-High Residence on Lee Street, Broadway. In the early 1980s, he moved to the Supervised Apartments at Turner House and then in 1996 he moved to his own apartment in the community, which he shared with another person served by Pleasant View. He lived on his own for 3 years until he married Linda on September 6, 2003 at which time he and she moved into their new home.

It is because of your generosity that we are able to share these success stories with you. By joining in our mission, you are empowering people like David as they become independent and contributing members of society.

As you plan your Fall contributions, please remember David and everyone else served by Pleasant View. They are in need of your prayers and financial contribution. Your contribution today will make a big difference to the people served at Pleasant View.

Sincerely,

Nancy Hopkins-Garriss
Executive Director

NOTE: Did you know that the Pension Protection Act of 2006 has been signed? This bill permits current gift IRA charitable rollovers. Rollovers during 2006-2007 may be made in any amount up to \$100,000 to Pleasant View, Inc. The IRA's rollovers will not be included in the donor's federal taxable income. Contact us for more information.
